30-LAYER ESD STICKY MAT FOR CLEANROOM WHITE (114X66CM, 4PCS)

30

SKU: 640012BQ

30 LAYERS TACKY MAT, 4 PIECES PACK

Multilayered ESD safe adhesive mat for cleanrooms, laboratories and EPA areas.
Thanks to their high adhesive power, its peel-off sheets capture dirt and dust from shoes and equipment at the entrance to a controlled area, preventing contaminations.
Numbered layers allow you to quickly calculate how many of them are left.
Highly slip resistant thanks to the self-adhesive mat in contact with the floor.
Package content: **4 multilayered mats with 30 layers each**.
