

ABC TOOLS D2763/1 FIXED HACKSAW FRAME WITH BLADE (300MM)

SKU: D27631000

ABC TOOLS FIXED HACKSAW

D2763/1 - Fixed hacksaw frame, equipped with bi-metal blade, 300 mm, 24 teeth per inch.

Its **handle with special mechanism** provides a strong and proper blade tensioning with **up to twice the force** of the best frames. Also prevents dangerous bending of blades and allows for quick and accurate cutting.

Blade magazine included in the delivery.

Specifications
