

DISPOSABLE ESD NITRILE GLOVES BLACK (S/XL, 100PCS)

SKU: 640862NERO

SINGLE-USE ESD NITRILE GLOVES, 100 PIECES

Anti-static ESD safe disposable gloves made of Nitrile, 100 pieces pack.

Specifically designed for use in laboratories as well as for repair and maintenance work.

A **textured surface on the fingertips** significantly improves grip security.

The gloves are characterized by optimal fit and chlorinated, which increases wearing comfort and reduces sticking.
