

DS2500D - PIERGIACOMI ESD SOLDER DISPENSER

SKU: 132031S

PIERGIACOMI DS 2500 D SOLDER DISPENSER

DS 2500 D – ESD safe anti-static solder dispenser, single-reel version.

Its **mobile guiding tube** helps you keeping the working area tidy and reducing solder wire waste.

A slot located on the back **can accomodate tools** to be kept close at hand, such as for example desoldering pumps, tweezers, pliers or screwdrivers.

Extensible for holding a second reel by adding the DS 2500 ABD accessory (El.Mi product no.: 132031V).
