

EM360 SMT STENCIL PRINTER WITH VERTICAL LIFT (PCB MAX. 255X355MM)

SKU: 101393E

BENCHTOP MANUAL SMT STENCIL PRINTER - EM360

EM360 - Manual SMT stencil printer, ideal either with polymer or metal stencils.

Thanks to its vertical lift, ensures exact deposit of solder paste.

The mechanical quick release frame for frameless stencils will help you save on framing costs.

Suitable for single sided as well as double sided PCBs.

Easy to clean during printing process.

Squeegee and professional tools are included in the supply.
