

DELUXE ESD SHELVING - MODULAR SYSTEM

SKU: scaf_filo

ESD MODULAR SHELVING SYSTEM

Deluxe line, anti-static ESD safe shelving system. Resistant to rust, impacts and scratches.

Conductive, entirely made of chromed steel.

Snap-in sleeves allow for easy **height-regulation of the shelves**.

Adjustable feet ensure greater stability, even in case of non perfectly flat flooring.

This shelving system **can be turned into cart** by adding conductive wheels.

Available parts:

- Uprights: 4 heights
- Shelves: 10 sizes
- Reelbox shelves: 2 types.
