

## **DISPOSABLE ESD NITRILE GLOVES, BLUE (S/M/L, 100PCS)**

SKU: 640862BLU\_ML

## SINGLE-USE ANTISTATIC NBR GLOVES

**Disposable ESD safe gloves** manufactured from high quality Acrylonitrile-Butadiene Rubber. Resistance to a wide range of solvent chemicals, excellent sensitivity, superior strength and flexibility. Accelerator free, sulphur free, itching free.

Package contents: 100 pieces (10 bags with 10 gloves each).

## **Specifications**

- Available sizes: S (640862BLU-S), M (640862BLU-M), L (640862BLU-L)
  M Palm width: 95+5 mm, Length: 290 mm min. Thickness: >0.06 mm
  L Palm width: 105+5 mm, Length: 290 mm min. Thickness: >0.06 mm
- Material: Acrylonitrile-Butadiene Rubber (NBR) synthetic co-polymer
- ESD properties: Surface resistivuity: 10^10 Ohm/Sq max. decay time: 2 sec max. Turboelectric charge: 2 V
- Compliant with RoHS and REACH standards.
