- **Model with 3 shelves**, height **940 mm** (El.Mi product Nr. 580366B):
 - 2 shelves for small reels, can store altogether up to 164 pieces of 180 mm reels (max. width 17 mm)
 - 1 shelf for large reels, can store up to 17 pieces of 330 mm reels (max. width 45mm).

** Measure that guarantees the functioning of the earthing system, even when the cart wheels are dirty.
 Cleaning the wheels of ESD safe trolleys and chairs is essential for the correct functioning of the earthing system: in fact, wheels could stop discharging if the dirt isolates them from the floor.*
