

ECONOMY ESD CART WITH 20 TRAYS (1520H MM)

SKU: 580366D

ECONOMY LINE ESD TRAY TROLLEY

Anti-static ESD safe transport cart equipped with 20 conductive trays.

The structure is entirely made of **stainless steel wire** and it can be opened at both the front and the back side.

Equipped with **4 conductive wheels** (2 of them have brakes) and clip-on **grounding chain***.

Dimensions: **620 x 530 x 1520h mm** - Internal dimensions of the containers: 415 x 510 x 40h mm.

** Measure that guarantees the functioning of the earthing system, even when the cart wheels are dirty.*

Cleaning the wheels of ESD safe trolleys and chairs is essential for the correct functioning of the earthing system: in fact, wheels could stop discharging if the dirt isolates them from the floor.
