

HAKKO ESD SOLDER DISPENSER FOR 2 REELS

SKU: 291436A

WIRE SOLDER DISPENSER FOR 2 REELS

Hakko 611-2 - Anti-static ESD safe solder dispenser for 2 reels.

It can be used to accommodate wire solders of different diameters and can be shared by 2 operators. The solder wire can be pulled smoothly from either reel, which contributes to operator efficiency.
