

MODULAR ANTISTATIC ESD SHELVING WITH 6 SHELVES (4 SIZES)

SKU: 640946_BASE

ESD STORAGE SYSTEM, BASE MODULE

ESD safe anti-static shelving equipped with 6 shelves, 4 sizes available.

Thanks to its **extendable**, modular structure, one or more additional modules (El.Mi product no.: 640946_EXT) can be added side by side for composing a continuous line.

Easy to assemble but sturdy, it is ideal for various storing needs.
