

PISTON FOR 10CC SYRINGE (50PCS)

SKU: 981259I

WHITE PISTONS FOR 10CC SYRINGES

Piston suitable for use with 10cc dispensing syringe, White colour.

Package content: **50 pieces.**

Pistons ensure pressure is evenly spread across the fluid surface, in order to provide consistent dispensing. They prevent dripping and eliminate waste by wiping the syringe barrel wall clean as fluid is dispensed.
