

RK06A STAND FOR DINO-LITE MICROSCOPES

SKU: 149893U

DINO-LITE RK-06A BENCHTOP STAND

RK-06A - Stand for Dino-Lite microscopes, equipped with adjustable horizontal arm and RK-10-EX extension arm. Sturdy support characterized by stability and versatility. It allows **precise focus adjustment**.

The **quick-release button** allows for a fast and convenient vertical movement. The RK-10-EX **additional arm** (included) increases the effective reach allowing to observe larger objects.

Thanks to these features, the RK-06A is an ideal solution among mid-range stands. It allows precise orientation and maximum flexibility.
