

30-LAYER ESD STICKY MAT FOR CLEANROOM BLUE (114X66CM)

SKU: 640012A

30 LAYERS TACKY MAT, 4 PIECES PACK

Multilayered ESD safe adhesive mat for cleanrooms, laboratories and EPA areas.

Thanks to their high adhesive power, its peel-off sheets capture dirt and dust from shoes and equipment at the entrance to a controlled area, preventing contaminations.

Numbered layers allow you to quickly calculate how many of them are left.

Highly slip resistant thanks to the self-adhesive mat in contact with the floor.

Package content: **1 multilayered mat with 30 adhesive layers**.
