

WALL MOUNTING SUPPORT FOR RETRACTILE BARRIER

SKU: 540135B

Wall mounting support for retracable belt.

Compatible with both 540135A and 540134A EPA retractile barrier systems.

Non-antistatic product, to be installed outside the protected area.

ATTENTION: The product for sale can only receive one ribbon. For the column with two belts it is necessary to purchase two supports.
