

WELLER HELPING HANDS WITH 4 MAGNETIC ARMS | WLACCHHM-02EU

SKU: WLACCHHM-02EU

SOLDERING SUPPORT WITH 4 MAGNETIC ARMS

Third hand with 4 flexible arms magnetically secured to a sturdy, heavy-duty base.

Its flexible gooseneck arms equipped with alligator clamps are easily positionable in multiple configurations.

Coated clamps prevent any possible damage while holding your projects securely in place.

A durable and strong powder-coated steel base with **non-slip feet** supports various soldering tasks and board sizes, from small to large.

Weller consumer product no.: **WLACCHHM-02EU**. UPC: 4003019448586.
