

## PROFIKIT 200 WELLER SOLDERING IRON (200W) | T0056208699N

**SKU:** T0056209699N

## **WELLER PROFIKIT 200 SOLDERING IRON**

Profikit 200 - Soldering iron for stained glass, Magnastat controlled, 200 W / 230 V.

Supplied with SG50/6 soldering tip, safety rest and user manual.

Weller Consumer product no.: T0056209699N.

## **Specifications**

- Operating temperature: 290 °C
- Temperature at rest: 335 °C
- Magnastat automatic temperature control ensures high levels of heat production, limiting energy consumption when the iron is not working.
