

PROFIKIT 200 WELLER SOLDERING IRON (200W) | T0056208699N

SKU: T0056209699N

WELLER PROFIKIT 200 SOLDERING IRON

Profikit 200 - Soldering iron for stained glass, Magnastat controlled, **200 W / 230 V**.

Supplied with **SG50/6** soldering tip, safety rest and user manual.

Weller Consumer product no.: **T0056209699N**.

Specifications

- Operating temperature: **290 °C**
- Temperature at rest: **335 °C**
- Magnastat automatic temperature control ensures high levels of heat production, limiting energy consumption when the iron is not working.
