

WELLER WTHUB FOR ZEROSMOG ZS/TL | T0058768767

SKU: T0058768767

CONNECTION MODULE TO ZS TL/EL

Weller WT HUB - Device for controlling a Zero Smog TL or EL filtration unit from one or two WT or WX stations.

It enables a cost-efficient and synchronized usage of soldering devices: the fume extraction unit works only while the operator is soldering.

Quick and easy set-up. Control units are connected to the HUB by means of a **RS 232** connection.

For this purpose a **communication cable** is available separately (T0058764710, NOT included).

Weller product no.: **T0058768767**.
