

## WELLER WMRT SET MICRO DESOLDERING TWEEZERS 80W | T0051317399N

SKU: T0051317399

### WMRT MICRO DESOLDERING TWEEZERS SET

**Weller WMRT SET - Micro desoldering tweezers with Stop+Go WMRTH safety rest.**

Suitable for soldering and desoldering SMD components with high energy demand.

Compatible with **WR 3M** rework station and **WT 2M** soldering station.

Weller product no.: **T0051317399N**.

### Specifications

- Power: **80 W (2 x 40 W)**
- Voltage: 12 V
- Temperature range: **100-450 °C (212-850 °F)**
- Heating time (50-350 °C / 120-660 °F): approx. **3 seconds**
- Connectable to: WD 1M, WR 3M, WT 2M
- Tip range: RTW - Quick and easy tip change
- Heating element technology: Active Tip
- Standby function: Yes

- ESD-safe: Yes
- WT compatible: Yes.
